Morgan's  
Message

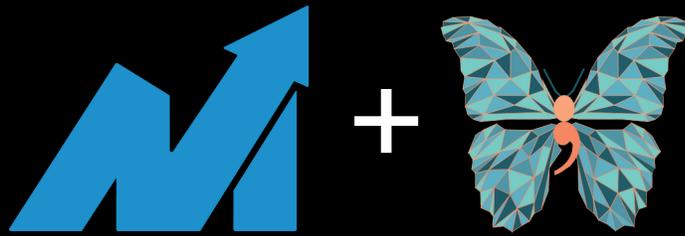

Tryout for Charity isn't your typical lacrosse tryout. It's a first-of-its-kind event designed to teach middle school athletes how to perform under pressure — while giving back.

Athletes compete, learn from top coaches, receive personalized feedback, and participate in pre- and post-tryout mental performance workshops — all while raising funds and awareness for Morgan's Message.

Message™**

## Taking A Shot At Mental Health®

Morgan's Message® is a 501(c)(3) that strives to eliminate the stigma surrounding mental health within the student-athlete community and equalize the treatment of physical and mental health in athletics.

We aim to expand the dialogue on mental health by normalizing conversations, empowering those who suffer in silence, and supporting those who feel alone.
